## PROPERTY DESCRIPTION

This 2bd/1bth bungalow home sits on a beautiful canyon lot with steps and a pathway that have been added along with fruit trees and an irrigation system so one can enjoy being in the middle of nature. The back yard and porch are have been fenced off so that young ones and your pets can enjoy the out doors as well.

Some of the features inside include beautiful hardwood floors, crown molding, granite floors in kitchen and bathroom. The windows in the kitchen and dining room are custom made and add much to the light and airy feeling of this wonderful home. Of course, the fireplace in the living room makes it cozy. The crawlspace underneath the house was finished off to create an office/studio space with windows that look out to the magnificent canyon. This home also comes with a one car attached Garage.
