## PROPERTY DESCRIPTION

This 2 bedroom, 1 bathroom house located in North Park sits on a corner lot. It is an open floor plan (Living room-Dining room). As you enter this home the colors and hardwood floors create a nice warm feeling. The kitchen has been beautifully remodeled with granite counters and updated cabinets. The garage is detached and is currently being used for storage.

The back yard is very large and private with it's own fish pond which gives a feel of serenity. There is also a guava, tangerine, peach and a plum tree to enjoy while sitting on the lounge chairs and relaxing.

On top of all of that space in the back yard there is also a dog run which the Doggie really appreciates.
